Dear Mark Santus:

Congratulations! It is with great pleasure we present your company with this Avaya DeveloperConnection Compliant Award for successful compliance testing with Avaya Inc.'s Communication Manager release 3.0 within an infrastructure environment that also included Avaya's Modular Messaging 2.0, Predictive Dialer r9, and CMS r3.

Your company's ASG Guard II, ASG Defender (Guard III) and SecureModem have been compliance tested by Avaya's Developer Connection Technical Team and have been officially accepted as compliant on September 25, 2005. The Avaya Developer Connection Compliant Award is now valid, based on the stated version of each party's solution.

Avaya is committed to providing its customers with solutions that are fully compatible with the Guard II, ASG Defender (Guard III) and SecureModem. With this successful Compliance testing, Avaya provides customers the assurance of successful product interoperability. By continuing to pursue improvements in product integration, we offer a more cost effective, integrated solution to our customers.

Please look to the Avaya Developer Connection Program for continued marketing and development support of your product in conjunction with Communication Manager release 3.0 within an infrastructure environment that also included Avaya's Modular Messaging 2.0, Predictive Dialer r9, and CMS r3.

We look forward to continuing our joint success in the future. Again, Congratulations!

Sincerely

Matthew Parker
